

Hello Everyone!

We are excited to share that as of October 1, 2020 we have opened the academy again!

Obviously, the circumstances will be different due to Covid-19, and the utmost safety of Instructors and Students is our foremost concern.

Classes will have a limited number of students to allow for social distancing.

Students should use the **Weekly Class Sign-Up link** on the home page of the website to choose and register for a spot in class at the Academy. Registration is on a week-by-week basis, and is first-come, first-served.

Zoom Classes will be offered as usual, and do not require registration.

Please note that the Zoom class times will coordinate with the onsite times listed in the new schedule. Should you feel more comfortable remaining at home and joining through Zoom please do so, knowing you will still be interacting with the actual classroom.

In addition, Private Lessons will continue to be offered at the school or on Zoom.

PLEASE TAKE SPECIAL NOTE OF THE FOLLOWING ONSITE CLASS RULES:

- Each class will have between 4 & 7 students in the room at any one time.
- Masks **MUST** be worn at all times by Instructors & Students.
- Students should arrived dressed for class, and should warm up prior to arrival, as classes are only 30 minutes.
- Bathrooms, Dressing Rooms, and water fountains will not be available , but please feel free to bring your own water bottle marked with your name on it.
- Anything you bring in such as; keys, shoes, etc please keep with you in workout room at all times.
- No need to bring equipment until further notice (except for Special Classes).
- Only one class per day may be attended.

If not, they must leave immediately.

THE ABOVE RULES WILL BE STRICTLY MONITORED.
